More specifically, the Examiner's attention is drawn to references number 7 and 8. These references are, respectively, an exemplary Confidentiality, Non-Disclosure and Non-Use Agreement and an exemplary Medical Advisory Agreement between a recipient and Scott Shapiro, Chairman and Chief Executive Officer of the Assignee of the above-referenced application. These agreements provide that the recipient would review and evaluate the compositions embodying the presently-claimed invention on an experimental basis only. The Examiner's attention is also specifically drawn to reference numbers 9, 10 and 11, each of which is a communication relating to a recipients' feedback to Mr. Shapiro regarding whether the compositions would work for one or more of their intended purposes.

Respectfully submitted,

KNOBBE, MARTENS, OLSON & BEAR, LLP
